

Games24x7 announces appointment of Rajat Bansal as Chief Technology Officer

India, December 8, 2021: Former head of engineering at Amazon Lockers, Rajat Bansal, has joined as the Chief Technology Officer at Games24x7, one of India's largest online gaming companies.

A key addition to the company's leadership team, Rajat, will be responsible for outlining and implementing the company's technological vision and ensuring that the technological resources are aligned with the business needs.

With an enriching experience of over two decades, Rajat has an illustrious track record in technology sector. In his tenure at Amazon, he served in the Amazon Prime Video Team before joining the leadership team for Amazon Lockers. Prior to Amazon, Rajat served as an Executive Vice President at Naukri.com and was the Chief Technology Officer at Hike messenger.

"Rajat has a vast experience in building technologies and teams across multiple organizations. Rajat will bolster our already market-leading technology infrastructure to accelerate growth and innovation at Games24x7. We are delighted to welcome such a remarkable leader amongst us." said **Trivikraman Thampy and Bhavin Pandya, Co-founders & CEOs, Games24x7.**

At Games24x7, Rajat will be spearheading technology and will be responsible for delivering creative strategies to maximize tech innovation and provide an intuitive gaming experience to players.

“Games24x7 has had an outstanding journey so far, disrupting the sector with constant tech innovations.” said Mr. Rajat Bansal, CTO at Games24x7. “I am excited to join Games24x7 at this pivotal phase, as it plans on deploying newer technologies and developing robust services across its products.”

About Games24x7

Games24x7 is an India headquartered online gaming company with a portfolio that spans skill games (RummyCircle, My11Circle, Carrom) and casual games (U Games). It was founded by New York University trained economists Bhavin Pandya and Trivikraman Thampy in 2006. Backed by marquee investors including Tiger Global and The Raine Group, the company specializes in using behavioural science, technology, and artificial intelligence to provide awesome game playing experiences across all its platforms. Games24x7 operates RummyCircle, the largest online rummy platform in India, and My11Circle, one of the country's top fantasy sports platforms. The company has also set up a casual games' studio, U Games, to launch new games for the global market.
